Videos and documentaries

Reincarnation - two Australian documentaries following and investigating the cases of four women who underwent "past life regression" with hypnotherapist Peter Ramster. Powerful videos, apparently previously banned in Australia after initial television broadcast. <https://www.youtube.com/watch?v=p9lZFW6qIX4> The 5 minute end of the first video is missing at 1:08:37 and is here <https://www.youtube.com/watch?v=rfqewOtYRII>

Another good case of regression is that of Robert Snow, a 10 minute video:

The reincarnation recall of Mandy Seabrook. An amazing story of a young child.
