JULY cont'd Wed 28th **Homeopathy & Energy Medicine: Hope for the Future** (7-8.30 pm)

Over 300 million people worldwide regularly use homeopathy, it's the second most popular form of medicine & is used with great success for serious as well as minor illnesses. What can Theosophy suggest about the basis of such forms of "Energy Medicine" and the promise they hold for humanity's future?

Sun 12th **"In The Beginning": The Basis of Union** (7-8.30 pm) Ltrs 5 & 6 *by Robert Crosbie*

Through talks, study and Q&A panels we'll rediscover the rich heritage of Irish Gaels, Celtic Druids & Cathars in France, who all believed in an immortal humanity that returns again and again for its evolution & perfection.

Sun 19th **"In The Beginning": How to Convey the Message** (7-8.30 pm) Ltr 7 *by R.C.*

Theosophy was restored to the world for the sake of those who are looking for light, not for those who are satisfied with things as they are and life as they find it.

Wed 22nd **Plotinus and The Upanishads on The One Supreme Reality** (7-8.30 pm)

The esoteric teachings of H. P. Blavatsky on the Absolute are closely mirrored in the Hindu scriptures & Neoplatonic texts. "The One, in its aloneness, can neither know nor be ignorant of anything." (Plotinus)

JULY

Thu 1st **Drop-in Meeting** for Questions and Discussion (7-8 pm)

Sun 4th **"In The Beginning": Better Able to Help & Teach** (7-8.30 pm) Ltrs 1 & 2 *by R. Crosbie*

Our work is to keep Theosophy pure, as it was delivered to us, for the sake of those who *can* be helped. We will explore why this is important & what are the foundations of the United Lodge of Theosophists.

Wed 7th **"The Secret Doctrine"** Study Class (7-8.15 pm)

Sun 11th **"Venus: The History of a Planet"** (7-8.30 pm) *article by H. P. Blavatsky*

The ancients regarded Venus, or Lucifer, as a sacred planet. Pythagoras called it a *second sun*, it was assigned divine qualities by ancient civilisations before becoming literally demonised by the Church.

Wed 14th **The Wisdom of The Tao Te Ching** (7-8.30 pm) *presentation*

The simplicity of this ancient philosophy is ideally suited for our times. Lao Tzu's doctrine "Hu Wei" (non-action in order to regain harmony with the Way) could be the antidote for our current malaise.

Thu 15th **Drop-in Meeting** for Questions and Discussion (7-8 pm)

Sun 18th **"In The Beginning": The Teachers & The Teaching** (7-8.30 pm) Ltrs 3 & 4 *by R.C.*

The fewer the words an idea can be expressed in, the better. Our effort is to disseminate among Theosophists the idea of unity regardless of organisation.

Wed 21st **"The Secret Doctrine"** Study Class (7-8.15 pm)

Sun 25th **An Overview of the Elemental Kingdoms** (7-8.30 pm) *by William Q. Judge*

Mysterious and largely misunderstood, the elemental kingdoms influence and are likewise greatly influenced by human thought and actions. What is the truth of - & our responsibility to - the elementals?

THE SUMMER PROGRAMME

William Q. Judge

H. P. Blavatsky

Robert Crosbie

TO TRULY HELP HUMANITY, ONE NEEDS CALMNESS, PATIENCE & KNOWLEDGE

The more a substance is reduced to its simplest form, the less it is complicated, the more it is capable of storing energy; *i.e.*, it is precisely under such a condition that it becomes the most active. As alchemy has become chemistry, so *mesmerism and homeopathy* with all the rest will ultimately become the legitimate branches of *orthodox* medicine.

H. P. Blavatsky, *The Bugbears of Science*

Patience is really the best and most important thing, for it includes many. You cannot have it if you are not calm ... and as calmness is the one thing necessary for the spirit to be heard, it is evident how important patience is. William Q. Judge, *Letters That Have Helped Me*, p. 126

The object of Theosophical study and work is *not* individual development, but that each and all should become true helpers of Humanity. Robert Crosbie, *The Friendly Philosopher*, p. 370-371

In every age Gnostics have existed and in their dictionary the terms “unknown” and “unknowable” have no place. The *Gnosis* is Theosophy; the Esoteric Philosophy is recondite, profound, vast, but man’s mind and heart are fully capable of understanding its elementary principles. B. P. Wadia, *Living The Life*, p. 75

Sunday mornings: “Myths & Legends” on the 1st & 3rd Sundays during July & Sept. for parents & children. 11am – noon on Skype or at no. 62, email us to join.

Thursdays: Informal drop-in meetings on the 1st & 3rd Thursdays in July & Sept; an opportunity to bring up questions on anything in the philosophy.

Book orders are welcomed and will be sent out during the summer. Free online books are available on the website at www.theosophy-ult.org.uk/books

“Make the best of the present favourable opportunity to improve yourself *intellectually* while developing your *intuitions*. Remember that *no effort is ever lost* and that for an occultist there is no past, present or future, but ever an Eternal Now.”

The Declaration of the United Lodge of Theosophists

The policy of this Lodge is independent devotion to the cause of Theosophy, without professing attachment to any Theosophical organization. It is loyal to the great Founders of the Theosophical Movement, but does not concern itself with dissensions or differences of individual opinion. The work it has on hand and the end it keeps in view are too absorbing and too lofty to leave it the time or inclination to take part in side issues. That work and that end is the dissemination of the Fundamental Principles of the Philosophy of Theosophy, and the exemplification in practice of those principles, through a truer realization of the SELF, a profounder conviction of Universal Brotherhood.

It holds that the unassailable *basis for union* among Theosophists, wherever and however situated, is “*similarity of aim, purpose and teaching*,” and therefore has neither Constitution, By-Laws nor Officers, the sole bond between its Associates being that *basis*. And it aims to disseminate this idea among Theosophists in the furtherance of Unity.

It regards as Theosophists all who are engaged in the true service of Humanity, without distinction of race, creed, sex, condition or organization, and

It welcomes to its association all those who are in accord with its declared purposes and who desire to fit themselves, by study and otherwise, to be the better able to help and teach others.

The true Theosophist belongs to no cult or sect, yet belongs to each and all.

From the card signed to become an Associate of the United Lodge of Theosophists: “Being in sympathy with the purposes of this Lodge, as set forth in its “Declaration”, I hereby record my desire to be enrolled as an Associate, it being understood that such association calls for no obligation on my part, other than that which I, myself, determine.”
