# LOVE AND RESPONSIBILITY

The *Great, Absolute Whole* ... We find its only truly active manifestation in *humanity as a whole*, composed as it is of stray sparks, finite in their objective duration, eternal in their essence, issuing from that Hearth without beginning or end. Therefore, the only God whom we should serve is Humanity, and our only cult should be the love of our fellow man. *This is our religion.*

*Misconceptions* by H. P. Blavatsky

The needful preparation is not an investigation of the psychical world, but purification of heart, of speech, and of action. The great Lord Buddha said that a man might be able to hear through the vast reaches of the ten points of space, or to smell the odors denied to ordinary senses, or to see all the grand and varied sights of the curious and unexplained realms of Nature, *and yet not know Truth*. Why? Because these powers, principalities, and properties compose the illusory husk woven about the central Truth. *Letter to J. Ransom Bridge* by William Q. Judge

We cannot think, feel, say or do anything without starting some of the infinitesimal colorless lives, with which the whole atmosphere pulsates everywhere, in a given direction. We are responsible for those lives because we created them as that kind of life. The total of these lives is always existent on the physical and astral planes, and we draw them back to us as an aggregate because we were the creators and originators of them.

*Answers To Questions* by Robert Crosbie

## MYTHS & LEGENDS for children and parents

Understanding the deep truths hidden in humanity's ancient stories allows parents and children to appreciate what is of value and how to live a joyful life. As one reads these classic tales from the East and West, they slowly develop in the listener a humane intelligence, along with the ideals of compassion, discernment and fearlessness that gives a sense of responsibility and self-confidence.

The meetings are for children, teenagers, and their parents, *in person* or online. If coming for the 1<sup>st</sup> time call 020 7723 0688 or email [info@theosophy-ult.org.uk](mailto:info@theosophy-ult.org.uk).  
11 am - 12 noon on 1st and 3rd Sundays each month  
3 & 17 October; 7 & 21 November; 5 & 19 Dec. Free and open to all, DBS checked.

### The Declaration of the United Lodge of Theosophists

The policy of this Lodge is independent devotion to the cause of Theosophy, without professing attachment to any Theosophical organization. It is loyal to the great Founders of the Theosophical Movement, but does not concern itself with dissensions or differences of individual opinion. The work it has on hand and the end it keeps in view are too absorbing and too lofty to leave it the time or inclination to take part in side issues. That work and that end is the dissemination of the Fundamental Principles of the Philosophy of Theosophy, and the exemplification in practice of those principles, through a truer realization of the SELF, a profounder conviction of Universal Brotherhood.

It holds that the unassailable *basis for union* among Theosophists, wherever and however situated, is "*similarity of aim, purpose and teaching*," and therefore has neither Constitution, By-Laws nor Officers, the sole bond between its Associates being that *basis*. And it aims to disseminate this idea among Theosophists in the furtherance of Unity.

It regards as Theosophists all who are engaged in the true service of Humanity, without distinction of race, creed, sex, condition or organization, and

It welcomes to its association all those who are in accord with its declared purposes and who desire to fit themselves, by study and otherwise, to be the better able to help and teach others.

*The true Theosophist belongs to no cult or sect, yet belongs to each and all.*

From the card signed to become an Associate of the United Lodge of Theosophists: "Being in sympathy with the purposes of this Lodge, as set forth in its "Declaration", I hereby record my desire to be enrolled as an Associate, it being understood that such association calls for no obligation on my part, other than that which I, myself, determine."
