1. Texts for Theosophical Meetings "Parabrahm..." to "...conditioned Universe." (p. 5-6)
2. The Key to Theosophy "Are we to..." to "...the conscious magic." (p. 22-25)

If we find ourselves in existence in a dark age, in a time of physical and psychological epidemics, it means that we are related to it. We should begin to see the cause in the effect, and if the effect is wrong, come out from among that kind of effects to a true basis in thought and action, while remaining with our brother pilgrims, and going through with them. Thus the Masters have done.

Robert Crosbie

*Answers to Questions on The Ocean of Theosophy* p. 196
